unit class XP (EUR), WKN: A2H62H, ISIN: LU1714355283

Investors in the above-mentioned unit classes are hereby informed that the following changes will come into effect as of 2 November 2023:

DJE Investment S.A. ("Management Company") has decided, in accordance with the currently applicable legal, regulatory and contractual provisions, for business policy reasons to merge the sub-fund DJE Premium - Malina ("Transferring Sub-Fund"), a sub-fund of the DJE Premium fund, with the unit class XP (EUR) of the DJE - Concept fund on the basis of the last determination of the fund price on 31 October 2023 ("Transfer Date") with the unit class XP (EUR) of DJE - Concept ("Acquiring Sub-Fund"), a sub-fund of DJE, with effect from 2 November 2023.

The merger is intended to streamline and manage the product range in a more cost-efficient manner. DJE Premium - Malina has fund assets of approximately EUR 11 million. Efficient economic management of the fund with such a small volume is considered difficult. From the client's point of view, the fund no longer has an economic size. Merging the assets into a single fund allows for better use of resources and optimised management. The merger is expected to result in cost savings as operating expenses as well as distribution expenses can be concentrated on a single fund.

After the merger, only the acquiring sub-fund will continue to exist.

The main investment-specific differences between the transferring and acquiring sub-funds are as follows:
