BVI – Code of Conduct

The BVI Code of Conduct sets voluntary standards that go beyond the legal obligations of the fund industry. These standards therefore reflect the role of the fund industry as a trustee with particularly high standards of conduct towards investors.

As a member of the BVI DJE Investment S.A. is committed to comply with the Code of Conduct as amended on 1 July 2019.

This version is available on the BVI homepage or alternatively **here in German:**
